Principal's Message

At Yucca Valley Elementary School, we believe through strong partnerships between the school, the home, and the community, we can make a difference in the lives of our students and maximize their educational experience. As our school motto states, "Knowledge is Gold," and at Yucca Valley Elementary School, we strive for excellence. The School Accountability Report Card is a summary report of our educational program. If you would like any additional information, please call or write our office for an appointment.

District & School Profiles

Morongo Unified School District

Morongo Unified School District currently services 8,515 students in grades TK-12 residing in the communities of Morongo, Yucca Valley, Joshua Tree, and Twentynine Palms. The district currently operates 11 elementary schools, 2 middle schools, 2 high schools, 1 continuation high school, 2 state preschool programs, 3 transitional kindergarten programs, 3 alternative education programs, and a special education preschool program. The student population is comprised of 16.1% receiving special education services, 4.6% qualifying for English learner support, and 68.8% socioeconomically disadvantaged.

Yucca Valley Elementary School

Yucca Valley Elementary School is located in the western portion of the town of Yucca Valley, approximately three blocks south of the Highway 62 and Geronimo Trail intersection. During the 2019-2020 school year, 642 students in grades TK-6 were enrolled. The demographic composition of student enrollment includes 11.21% receiving special education services and 8.4% qualifying for English learner support. Due to a district-wide nutrition program, 100% of students are eligible for free breakfast and lunch. However, alternative data collected reflects eligibility for free and reduced lunch to be at 83.67%. A state preschool program for children ages 3 and 4 is onsite and available to income-qualifying families.

All school staff are committed to celebrating the uniqueness of each child and guiding each child to fulfillment of his or her potential. Teachers work collaboratively to create a student-centered environment, emphasizing the development of reading, writing, and math skills.

Our Professional Learning Community (PLC) atmosphere creates team building success for our staff to collaborate effectively and bring success through data-driven planning sessions.

School Vision

Yucca Valley Elementary School empowers and equips students to reach their highest personal and academic potential to pursue a limitless future.

School Mission

The mission for Yucca Valley Elementary School is for students, staff, and community members to work together to prepare our students for the future. We recognize individual differences, while teaching a consistent progression of skills, knowledge, and values that enable the students to be successful, productive citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum throughout Morongo Unified School District are aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state’s most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district’s Board of Education. The district follows the State Board of Education’s eight-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

In October 8, 2019 the Morongo Unified School District’s Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. #19-004 which certifies as required by Education Code §60119 that (1) Morongo Unified School District has provided to each pupil, including English learners, a textbook or instructional materials, or both, to use in class and to take home, (2) “sufficient textbooks or instructional materials” means that all students who are enrolled in the same course within the Morongo Unified School District, have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. Morongo Unified School District provides all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the state’s Common Core State Standard.

School Facility Conditions and Planned Improvements (Most Recent Year)

Facilities Maintenance

School custodial staff and the district’s maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The facility has sufficient classroom, playground, and staff spaces. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and staff submit requests for unscheduled maintenance and special projects to the senior custodian; the senior custodian then evaluates each request and either assigns the project to site custodians or submits a work order to M&O for resolution. Most of Yucca Valley Elementary School’s repairs and maintenance projects are performed by the district’s highly qualified, professional trade specialists or third party vendors, depending upon the scope of the project. Emergency situations are immediately called in to M&O and resolved either by the school’s custodial staff or district maintenance staff, based upon the nature of the situation.

One full-time senior day custodian, one full-time evening and one part-time evening custodian are assigned to Yucca Valley Elementary School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and senior custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the senior custodian inspects campus facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. The day custodian is responsible for cafeteria setup/cleanup, school activity setups, minor maintenance, outside grounds areas cleaning, sweeping sidewalks, security checks, and keeping restrooms clean and stocked. Restrooms are monitored and checked by the custodian periodically throughout the day as a proactive measure in eliminating vandalism and keeping facilities safe, sanitary, and stocked. The evening custodian is responsible for general cleaning of classrooms (including sanitizing desktops), restrooms, kitchen, and library. When students are on winter and summer break, custodians perform a thorough, detailed cleaning throughout the campus.

Custodians follow a rigid set of cleaning standards approved by the Morongo Unified School District. Each custodian receives both classroom and on-the-job training from the district’s Director of Maintenance & Operations and the district’s Custodial Supervisor. Senior custodians are responsible for monitoring school cleaning procedures and practices to ensure students are provided a clean, orderly, and safe learning environment every day.

San Bernardino County Williams Inspection Results

On an annual basis, representatives from the San Bernardino County Superintendent of Schools visit Morongo Unified School District’s schools that are in the API Decile Ranks 1-3. The inspection is designed to evaluate and verify that school facilities conditions are in “good repair” and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection completed by the county took place on September 20, 2018. Results of the inspection and corrective action taken by the district are provided in the table below.

School Inspections

Yucca Valley Elementary School works closely with the Maintenance & Operations Department (M&O) for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Yucca Valley Elementary School took place on September 10, 2019. Schools are required by state law to report the condition of their facilities; the School Inspection table illustrated below in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2018-2019 school year, 100% of student restrooms were fully operational and available for use at all times.

Deferred Maintenance

Morongo Unified School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. At this time, there are no planned improvements at this site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent Involvement

Parents are encouraged to get involved in Yucca Valley Elementary School's learning community by volunteering their time, attending the monthly parent participation activities, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, office, and library. Parents who wish to volunteer must obtain a fingerprint/ background clearance and TB clearance.

Parent representatives are an integral part of the Site Based Management Committee, English Learner Advisory Council, and Family Faculty Association. Each of these groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Two parent liaisons are available to connect students' families with community resources, health care services, food, and clothing. The liaisons are responsible for recruiting parent volunteers and providing parent education workshops to support the learning process. Parents seeking more information about becoming an active member in the school community may contact the principal or school office staff at (760) 365-3381.

Yucca Valley Elementary School provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

- | | |

School News

School-to-home communication takes place in multiple forms. Parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates through:

- School newsletters
- Teacher newsletters
- Class Dojo
- Flyers and letters
- School website
- School marquee
- Student planner
- Social media
- Emails and phone calls

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Yucca Valley Elementary School in collaboration with local municipal agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current school safety plan was reviewed, updated, and approved December 3, 2019.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	1	3	3

All curriculum and instructional improvement activities in Morongo Unified School District are aligned to the Common Core State Standards. Professional development concentrations are selected and identified based on analysis of student achievement, team development, and state/ federal standards.

During the 2017-2018 school year, staff participated in one non-student day of professional development, and seven minimum days. During the 2018-19 school year, staff participated in three non-student days of professional development, and five minimum days. During the 2019-2020 school year, staff will participate in three non-student days of professional development and five minimum days. Staff training topics are identified by the district office and modified by school administration based upon results from teacher surveys and analysis of student assessment results.

2018-19 Staff Training Topics:

Common Core Standards and Student engagement, Student-Centered Teaching Strategies, Data Analysis , Differentiated Instruction, PLC - Professional Learning Communities, Student Information Systems, Technology, Writing Across the Curriculum

2019-2020 Staff Training Topics:

Common Core Vertical Alignment, Gradual Release Model of Teaching and Learning, Data Analysis, Data Driven Planning, Standards-based instruction, SBAC, Project-based Learning, Early Literacy Intervention

Supplemental site-based staff development takes place throughout the year to support ongoing program implementation. Professional Learning Communities activities emphasized data analysis and planning. Professional development was delivered throughout the year, including grade-level workshop days, Workshop Wednesdays, before school, and conference attendance.

Morongo Unified School District offers supplemental training and support for new and ongoing program implementation. In 2018-19, professional development opportunities included:

- Benchmark Data Training
- Common Core State Standards - Math
- English Language Arts Writing
- Illuminate Training - English Language Arts & Math
- Integrated Math
- School Safety
- Social Studies Training
- PBIS/MTSS

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The district's BTSA Program (Beginning Teacher Support and Assessment) is a state-approved program that offers additional support and assistance to newly credentialed teachers. To support veteran teachers as well as new teachers to the district, Morongo Unified School District offers Peer Assistance and Review (PAR). Experienced and knowledgeable veteran teachers provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Instructional assistants and paraprofessionals are occasionally provided specially-designed training by district special education specialists. Training activities generally address topics related to current instructional programs and effective teaching strategies to support current lessons.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the San Bernardino County Superintendent of Schools and courses offered by community colleges and universities. Classified support staff may receive training from district representatives through a job-alike format.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
