

MORONGO UNIFIED SCHOOL DISTRICT

Independent Study AB 130

Student Re-Engagement Plan

2021 – 2022

The following are procedures for tiered re-engagement for students who are not generating attendance for three or more school days, or 60 percent of instructional days in a school week, or are violating the independent study Master Agreement.

You are receiving this student re-engagement plan at the time of signing the master agreement and agree with the terms listed below in each of the three tiers of re-engagement. By initialing the Master Agreement, you acknowledge that you have read and understand the re-engagement plan.

Tier I – Verification of current contact information for each pupil enrolled in independent study. The school will notify the parent or guardian of the lack of participation within one school day of the absence or lack of participation.

Tier II – A plan for outreach from the school to determine pupil needs, including connection with community resources to include health and social services as necessary.

Tier III – A pupil-parent/guardian-educator-administrator conference will be scheduled to review the pupil's Master Agreement, and reconsider the independent study program's impact on the pupil's achievement and well-being and whether this placement is appropriate. **If a student is recommended for return to in-person instruction at their home school site, the transition will take place within (5) instructional days of the conference.**

This document will be attached to the Master Agreement along with all community resources in the Morongo Basin and Surrounding communities.

Adopted August 2021
