Dear Members of the Morongo Unified School District Community,

The Board of Education of the Morongo Unified School District invites you to attend a meeting to assist us in the selection of a new superintendent. Members of the community, parents, students, employees, and representatives from local agencies are invited to meet with Dr. Lynne Kennedy and Dr. Doris Wilson of The Cosca Group. A list of Focus Group meeting dates, times and locations are available on the District website. I hope you will take the time to attend a meeting and share your ideas and feedback.

Dr. Kennedy and Dr. Wilson, the consultants who are conducting the search for candidates, will facilitate the meetings. The purpose of these meetings is to inform you of the process, identify strengths and needs of the district and to receive input regarding the desired characteristics of our new superintendent.

If you are unable to attend a meeting, I encourage you to provide written comments to The Cosca Group. Forms will be available at the district office and online on the district's web page. Your input is valuable to us as we make this particularly important selection for our students and our community. Thank you for your interest and your participation.

Sincerely,

Cathy Nelson
Board President
